

## **CURRICULUM VITAE**

### **PERSONEL PARTICULARS**

1. **NAME** : Assoc. Prof. Dr. Jafri Malin Abdullah
2. **DATE OF BIRTH** : 5th December 1962
3. **SEX** : Male`
4. **NATIONALITY** : Malaysian

### **Passport Information**

Passport Number : A10110836 Place of Issue: KOTA BHARU,  
MALAYSIA

Date of Issue : 26 December 1995

Date of Expiry : 26 December 2000

National Registration Identity Card Number : 6730443 (Old)  
(Blue) : 621205-6-5337 (New)

5. **MARITAL STATUS:** Married
  - a) Wife's name : Dr. Siti Fatimah Hj Abdul Rahman
  - b) Wife's Nationality: Malaysian
  - c) Profession : Doctor
  - d) Children : Five
    1. Name : Amirul Jafni Malin  
Age : 09.10.1988  
Nationality: Malaysian
    2. Name : Mohd Amir Hariz  
Age : 03.05.1993  
Nationality: Malaysian  
Deceased: 23.12.1997
    3. Name : Siti Amirah Hana  
Age : 25.12.1994  
Nationality: Malaysian
    4. Name : Muhamed Adam Hafiz  
Age : 22.7.1997  
Nationality: Malaysian

5. Name : Siti Sarah Aisyah  
Age : 07.02.1999

Nationality : Malaysian

6. **REGISTRATION**

- a) Malaysian Medical Council Registration number: 26500
- b) Belgium Medical Council Registration number : 5609

7. **HOME ADDRESS**

Lot 522, Lorong Hidayah  
Jalan Hospital Universiti Sains Malaysia  
Kampung Demit , 16150 Kubang Kerian  
Kelantan, MALAYSIA.

H/P: 019-9819812

**CORRESPONDENCE ADDRESS**

Division Neurosurgery  
Department of Surgery  
Hospital Universiti Sains Malaysia  
16150 Kubang Kerian  
Kelantan, MALAYSIA.

Email: neurosurgeryhusm@yahoo.com

**PERMANENT ADDRESS**

Associate Professor of Neurosurgery  
Department of Surgery, Division of Neurosurgery  
University Hospital Science Malaysia  
Kubang Kerian  
15990 Kelantan  
MALAYSIA

Email: amiruljafni@yahoo.com

8. **PROFESSIONAL QUALIFICATIONS**

- 1) Degree : M.D. Doctor of Medicine(No: USM/88/DP 00203)  
University : University Sains Malaysia, Penang  
Date : July 1986
- 2) Degree : Diploma Certification Specialization in Neurosurgery  
(No:094897)  
University : University of Ghent, Belgium, and the Ministry of  
Education  
Date : 1.12.1994

3) Degree : Phd in the Biomedical Sciences (Magna Cum  
Lauda) No:06004  
University : Ministry of Education/ University of Ghent, Belgium  
Date : 10.1.1995

9. **MEMBERS OF SOCIETIES**

- a) Academy of Medicine Malaysia
- b) University Sains Malaysia Medical Graduates Alumni Society
- c) Belgium Neurosurgical Society
- d) European Stereotactic and Functional Neurosurgical Society
- e) The International Stereotactic Radiosurgery Society
- f) International Association of Pain (IASP)
- g) Malaysian Neurosurgical Society (Protemp)
- h) Belgium Oncology Society
- i) Malaysian Neuroscience Society
- j) Asian and Australasian Neurosurgical Society: Malaysian delegate
- k) International Society for Paediatric, Neurosurgery
- l) Asean Neurosurgical Society
- m) Asian Society for Stereotactic, Functional and Computer Assisted  
Neurosurgery
- n) Asian Congress of Neurological Surgeons.
- o) International College of Surgeon (Fellow)
- p) Associate International Member American Association of Neurological  
Surgery
- q) Congress of Neurological Surgeons.
- r) World Federation of Neurological Surgeons
- s) European Association of Neurological Society.
- t) Indian Society of Neurosurgery

10. Committee member of Non-Profit Malaysian Organisations.
- 1. Vice President of the National Parkinson Foundation of Malaysia.
  - 2. President of the Persatuan Alumni Doktor USM.
  - 3. President of the Tabung Kebajikan dan Pendidikan PADU.

11. **STATE OF HEALTH**

No physical or mental disability or illness

12. **PRESENT POST**

1. **POSITION**

Associate Professor in Neurosurgery  
Department of Surgery  
School of Medical Sciences  
University Sains Malaysia  
16150 Kubang Kerian  
Kota Bharu, Kelantan, Malaysia.

2. **EMPLOYER**

School of Medical Sciences  
Universiti Sains Malaysia  
16150 Kubang Kerian  
Kota Bharu, Kelantan  
Malaysia.

3. **DATES OF APPOINTMENT**

From  
01.10.1988

To  
1.12.1994 (Trainee Lecturer)

4. **GAZETLED NEUROSURGEON**

Number (45) KKM 87P13/201/1

From

To

1.11.1995

till present

5. **NOTIFICATION PERIOD**

Three months

6. **PRESENT SALARY SCALE AND EMOLUMENT SCHEME**

Monthly RM7,000

### 13. **SPECIAL EXPERIENCES**

1. Neonatal and general intensive care at Hospital Universiti Sains Malaysia (1986-1989).
2. Forensic Medicine as an elective candidate in Guy's Hospital London (1985).
3. Anaesthesiology and critical care medicine at Hospital Universiti Sains Malaysia including subspecialties of anaesthesia. (1988 - 1989)
4. Member of the Hospital Universiti Sains Malaysia resuscitation committee (concerned with the organisation and training of resuscitation services in the hospital (1987 - 1989).
5. Providing resuscitation services in Hospital University Sains Malaysia (1987-1989)
6. Exposure to cerebral arteriography, EEG and neurosurgical intensive monitoring (1989- 1995) Hospital University of Ghent, Belgium.
7. Functional and Stereotactic Neurosurgical Procedures (1989-1995), Hospital University of Ghent, Belgium, Karolinska Institute, Department of Neuro-surgery, Stockholm, Sweden.
8. Endoscopic Neurosurgical Procedures, Hospital University of Ghent, Belgium (1989-1995).
9. Licox Po<sub>2</sub> and Lactate measurements in the Brain Parenchymal in Kiel, Germany (9.2.1998) by Dr. Wolfgang Flekenstein .
10. Intraoperative Neurophysiology course at the London from 1st till 5<sup>th</sup> October 1999 at
  - (i) King's College Hospital, London
  - (ii) Middlesex Hospital London
  - (iii) Queen's Square Neurology, London
  - (iv) Great Ormond Street Sick Children Hospital, London
11. Transcranial Doppler Training Course 12-13 Oct. 1999 in Grosshadern Hospital in Munich, Germany.
12. Cerebral Oximetry Course in Kiel, Germany on the 14<sup>th</sup> Oct. 1999.
13. International Stereotactic and Functional Neurosurgery in Karolinska Hospital, Institute Neurosciences from 4-10<sup>th</sup> Oct. 1999.
14. Microsurgical Approaches Training Course 11<sup>th</sup>-15<sup>th</sup> September 2000 at University of Florida Brain Institute Department of Neurosurgery Gainesville, Florida, USA.
15. Minimal Invasive Neurosurgery course 8<sup>th</sup> October 1999 during the Congress of Neurological Surgeons meeting Boston, USA.

14. **PREVIOUS POST**

Post Held / Centres	From	To
1. Housemanship Hospital Universiti Sains Malaysia 16150 Kubang Kerian Kelantan <u>Malaysia</u>	June 1986	June 1987
a) Orthopaedics	June 1986	September 1986
b) General Surgery	September 1986	December 1986
c) Obstetrics and Gynaecology	December 1986	June 1987
2. *Medical Officer in Internal Medicine	July 1987	September 1987
3. *Medical Officer in Paediatrics	September 1987	December 1987
4. *Medical Officer in Blood Banking Services and Haematology	March 1988	May 1988
5. *Medical Officer in Anaesthesiology and Critical Care Medicine	December 1987	November 1988
6. *Medical Officer / Trainee Lecturer in General Surgery University Sains Malaysia 16150 Kubang Kerian, Kelantan	November 1988	November 1989
7. Resident in Neurology Universiti Hospital Ghent De Pintelaan 185, 900 Ghent Belgium (Prof. J. De Reuk)	November 1989	November 1990
8. Resident in Neurosurgery Universiti Hospital Ghent, Belgium (Professor L. Calliauw)	November 1990	November 1994
9. Fellow in Neurosurgery Universiti Hospital Ghent, Belgium (Professor J. Caemaert)	December 1994	February 1995
10. Fellow in Neurophysiology Department of Neurosurgery Universiti Hospital Ghent Belgium (Prof. J. De Reuk)	December 1994	February 1995

15. **TEACHING EXPERIENCES**

1. Teaching of undergraduate medical students in Anaesthesiology and Critical Care Medicine at:  
  
Hospital Universiti Sains Malaysia  
16150 Kubang Kerian, Kelantan  
Malaysia
2. Teaching of undergraduate medical students in General Surgery at:  
  
Hospital Universiti Sains Malaysia  
16150 Kubang Kerian, Kelantan  
Malaysia

3. Teaching of Cardiopulmonary resuscitation skills to nursing, paramedical staff, medical officers, medical students, Malaysia Red Crescent Society and Malaysian Dental Society at:  
  
Hospital Universiti Sains Malaysia  
16150 Kubang Kerian, Kelantan  
Malaysia  
  
General Hospital Kuala Trengganu  
Kuala Trengganu, Trengganu  
Malaysia
4. Instructor / Examiner for Cardiopulmonary Resuscitation basic life support certificate course held under the aegis of American Heart Association and Ministry of Health, Malaysia at:  
  
Hospital Universiti Sains Malaysia  
16150 Kubang Kerian, Kelantan  
Malaysia
5. Active participation in postgraduate teaching symposia and seminars conducted by the Continuing Medical Educations Committee of Hospital Universiti Sains Malaysia.
6. Inservice training of Intensive Care Nursing Staff.
7. Neuroradiological conference, journal club in the Hospital University of Ghent, Belgium.
8. Neuroradiological conference. journal club, Neuropathology conferences in the Hospital Universiti Sains Malaysia.
9. Initiation of first master of Neurological Surgery Course in Malaysia to start 2001 onwards
10. Neuro brain tumour genetic center since January 1996.
11. Stereotactic and endoscopic workshop during the Asean Neurosurgical Congress 1995. Status: Chairman of Workshop.

16. **EDUCATION**

1. **Schooling and Pre University**

Science Secondary School Penang  
- completed in 1977

Science Secondary School Kelantan  
- completed in 1979

Leederville Technical College Western Australia  
- completed in 1981

**Obtained:**

Malaysian Certificate of Education 1979, Grade one  
Tertiary Admissions Examination Western Australia, Australia 1980,  
Grade one

2. **Undergraduate Medical Training**

**Doctor of Medicine:**  
School of Medical Sciences  
Universiti Sains Malaysia  
11800 Minden  
**PENANG**  
(Universiti Sains Malaysia - completed in July 1986)

3. **Postgraduate Medical Training**

- a. Diploma Certification Specialisation in Neurosurgery  
University of Ghent 1989-1995  
University Hospital Ghent  
De Pintelaan 185, 9000 Ghent  
Belgium  
(Degree awarded on the 1st December 1994)
- b. Phd in Biomedical Sciences (Magna Cum Lauda)  
University of Ghent,  
Belgium  
(Degree awarded on the 10th January 1995)

17. **SPECIAL TRAINING IN HOSPITAL UNIVERSITI SAINS MALAYSIA**

1. Special Training Course in Intensive Care and Coronary Care
2. Refresher course on Endocrine Disease
3. Workshop and symposium on medical education techniques
4. American Heart Association training course on cardiopulmonary resuscitation
5. Workshop on sophisticated invasive haemodynamic monitoring and therapeutic techniques
6. Workshop in the specific management of head injury patients 4<sup>th</sup> September 1999.

18. **SPECIAL AWARDS**

1. National Malaysian Young Scientist Award, awarded via The Ministry of Science and Technology Malaysia on the 16 March 2000
2. Malaysian Toray Research Award 1997 by the Japanese Toray Foundation.

19. **PRESENTATIONS: 1 ST PRESENTER OR CO-AUTHOR INCLUDES SPECIAL LECTURES AND ATTENDANCE IN CONFERENCES.**

***A. NEUROVASCULAR***

1. J. Abdullah, J. Caemaert, L. Calliauw, K. Verstraete, E. Achten. Bow Hunters Stroke in a child. Presentation Belgian Society for Neurosurgery. 7.03.92. Abstract published in Acta Neurologica Belgica.
2. E. Duval, J. Caemaert, J. Abdullah, D. Voet, K. Verstraeten, R. Van Coster Cerebellar infarct in a child (poster). First World Congress of Paediatric Intensive Care, Baltimore, Maryland USA June 21-24, 1992.
3. Jafri Abdullah, M. Ridzwan, Badrul Hisham Management of Vasospasm in Neuropatients 19th Oct 1995 in Research Presentation USM 1995, pg 44, 1995

4. Jafri Malin bin Abdullah (Malaysia)  
 Professor Kevin Siu (Australia)  
 Neurosurgical seminar on management of Subarchnoid Haemorrhage,  
 Management of cranial base tumours and Management of Head Injuries  
 organised by the Neurosurgical Unit, Department of Surgery,  
 School of Medical Sciences, Universiti Sains Malaysia in conjunction  
 with the Malaysian Neuroscience Society and the Malaysia Medical  
 Association.  
 9th April 1996. Hotel Perdana, Kijang Room and Lecture Room,  
 Department of Surgery, Kota Bharu, Kelantan, Malaysia
5. A Farouk, J. Abdullah  
 A retrospective study on the clinical outcome of subarchnoid haemorrhage  
 following nimodipine usage in correlation with Hunt and Hess criteria  
 Pan Pacific Ballroom, Pan Pacific Hotel  
 7th Asean Congress of Neurological Surgery  
 3rd - 5th October 1996, Kuala Lumpur, Malaysia
6. Retrospective study on the clinical outcome of subarchnoid haemorrhage  
 following nimodipine usage with Hunt and Hess criteria.  
A. Farouk, J. Abdullah  
 (Abstract Book Third National Conference on Medical Sciences, 25th -26th  
 May 1997. Presented orally at the School of Medical Sciences, Universiti  
 Sains Malaysia, Kelantan, Malaysia)
7. S. Bambang, J. Abdullah, M.Y. Ridzwan, A. Farouk, S. Hassan.  
 Incidence and outcome of intracerebral haemorrhage occurring spontaneously  
 between 1990 - 1996 in the North-East Coasts of West Malaysia.  
 Differentiation between operated and non-operated cases at 11th International  
 Congress of Neurological Surgery 6th - 11th July 1997, Amsterdam, The  
 Netherlands.
8. Spontaneous intracerebral haematomas presenting to the neurosurgical unit  
 from early 1995 till end 1997. Result of aggressive surgical therapy for late  
 arrival patients > 8 hours postictus.  
J. Abdullah, J. Muiz, A. Farouk, A. Rahim.  
 (Abstract Book 4th National Conference on Medical Sciences 8-9th June 1998  
 pg 64. Presented as a poster at the School of Medical Sciences, Universiti  
 Sains Malaysia, Kelantan, Malaysia).
9. Management of mega giant aneurysm based only a Magnetic Resonance  
 Angiography. Report of the first case in Malaysia.  
 (Abstract Book 4th National Conference on Medical Sciences 8-9th June 1998  
 pg 67. Presented as a poster at the School of Medical Sciences, Universiti  
 Sains Malaysia, Kelantan, Malaysia).

10. Spontaneous Intracerebral Hematomas presenting to the Neurosurgical Unit from early 1997 of aggressive surgical therapy for late arrival patients > 8 hours postictus.  
J. Abdullah, J. Muiz, A. Farouk, A. Rahim.  
Abstract recent Advances in Stroke and Intracerebral haemorrhage, 3-5th April 1998 Malacca Village Paradise Resort Ayer Keroh, Melaka. Pg. 24-25.
  
11. Arteriovenous malformation (AVM) of the temporal dura-death due to extradural haemorrhage following trivial trauma: A case report.  
Nor Hayati Othman, Jafri Malin Abdullah, Othman Abdullah.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 52. Presented as a oral at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
  
12. A rare case of an intramedullary thoracic hemangioendothelioma.  
A.S.M. Ridzuan, N. Azam, J. Abdullah, Dimon S, J. Siregar A.R. Ariff, S.S Mutum and Biswal.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 73. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
  
13. Traumatic rupture of a dural arteriovenous malformation causing fatal extradural hematoma.  
A.S.M. Ridzuan, D. Tang, J. Abdullah, N.Omar, AR. Ariff.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 85. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
  
14. Usage of Nimodipine in traumatic subarachnoid haemorrhage: A retrospective study on severe head injury patients.  
A. Hamid, J. Abdullah, A.R. Ariff  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 86. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
  
15. Conventional Neurovascular management of three case of carotidocavernous fistulas over the period of 5 years.  
I.A. Marzuki, J. Abdullah, Mohtar I, A.R.Ariff, Ibrahim L, M. Hamzah D. Tang.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 88. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).

**B. NEURONCOLOGY / NEUROPATHOLOGY**

1. J. Abdullah, J. De Reuck, P. Naessens  
15 Dec 1990. Belgian Neurological Society Cytophotometric DNA determination in human neurilemmomas. Abstract published in Acta Neurologica Belgica. January 1991.
2. M. Ridzwan Yusoff, J. Abdullah  
S. Chandrasekharan, T. Kannan, A. Ridzwan, O. Norhayati  
A Rare Brain Tumour  
Second National Conference on Medical Sciences organised by the School of Medical Sciences, USM Kota Bharu, Kelantan, Malaysia  
Lecture Hall 3 and 4, 9th - 10th June 1996
3. R. Paijan, MR Johari, J. Abdullah, S. Chandrasekharan  
Usage of Antibiotics in Neurosurgery  
Second National Conference on Medical Sciences organised by the School of Medical Sciences, USM Kota Bharu, Kelantan, Malaysia  
9th - 10th June 1996
4. M. Azmi, M. Ibrahim, J. Abdullah, S. Chandrasekharan  
A rare complication of a foot abscess  
Second National Conference on Medical Sciences organised by the School of Medical Sciences, USM Kota Bharu, Kelantan, Malaysia  
9th - 10th June 1996
5. Faisal, J. Abdullah, S. Chandrasekharan, M. Zahari, O. Norhayati  
Stereotactic biopsies done in the Neurosurgical Unit,  
Department of Surgery, HUSM, correlation with CT Scan, MRI Brain Findings and to Pathological findings. Second National Conference on Medical Sciences organised by the School of Medical Sciences, USM, Kota Bharu, Kelantan, Malaysia
6. M. Sulaiman, K. Salleh, S. Chandrasekharan, J. Abdullah  
A retrospective study of brain abscess at HUSM, 1990 – 1994.  
Second National Conference on Medical Sciences organised by the School of Medical Sciences, USM Kota Bharu, Kelantan, Malaysia.  
9th - 10th June 1996.
7. K. Salleh, J. Abdullah  
A retrospective study of hydrocephalus in University Hospital Sains Malaysia 1990 - 1993  
Pan Pacific Ballroom, Pan Pacific Hotel, during the 7th Asean Congress of Neurological Surgery

8. M. R. Yusoff, J. Abdullah  
Dimensions of Brain Tumours Presenting to the Neurosurgical Unit,  
HUSM from 1990 - 1995 : Suitability of Radiosurgery  
7th Asean Congress of Neurological Surgery  
3rd - 5th October 1996, Kuala Lumpur, Malaysia
9. J. Abdullah, T. Kannan, MR Yusoff, O. Noorhayati, S. Sharma  
Neurooncologic management of rare brain tumours  
13th Asia Pacific Cancer Conference  
17th Nov - 20th November 1996  
Hotel Equitorial, Penang, Malaysia
10. Prospective Analysis of gram negative infections in a Neurosurgical Unit over  
the period of 12 months.  
J. Abdullah, R. Paijan, M. Shaiful, S. Hassan, M. Radzi, M. Ashraff  
(Abstract Book Third National Conference on Medical Sciences, 25th - 26th  
May 1997. Presented orally at the School of Medical Sciences, Universiti  
Sains Malaysia, Kelantan, Malaysia).
11. Report on usage of ciprofloxacin in 3 Paediatric Neurosurgical Cases.  
R. Paijan, J. Abdullah  
(Third National Conference on Medical Sciences, 25th - 26th May 1997, at  
School of Medical Sciences, Universiti Sains Malaysia, 16150 Kubang Kerian,  
Kelantan, Malaysia).
12. Incidence and prevalence at ventriculoperitoneal shunt infections in year  
1996.  
H. Shaiful, D. Zamrin, J. Abdullah  
Third National Conference on Medical Sciences, 25th - 26th May 1997, at  
School of Medical Sciences, Universiti Sains Malaysia, 16150 Kubang Kerian,  
Kelantan, Malaysia).
13. Retrospective and prospective study : Incidence of tumours suitable for  
radiosurgery in a developing country like Malaysia : Study done before  
decision to start a radiosurgery programme.  
J. Abdullah, M.Y. Ridzwan  
The XIII Meeting of the World Society for Stereotactic and Functional  
Neurosurgery. 1st - 4th July 1997, De Lyon, France.
14. J. Abdullah, N. Azim, O. Nor Hayati  
Glioblastoma multiforme of the cerebellum in a child - a case report and  
review of literature. Malaysian Society of Pathology, 12 -15 December 1997,  
Pedu Lake Resort. 22nd Annual Scientific Meeting and Annual General  
Meeting Malaysian Society of Pathologists.

15. Treatment of serious and uncontralable intracranial hypertension in non HIV positive patients with cryptococcal meningitis.  
A. Muiz, J. Abdullah, A. Farouk, A. Rahim, M. Radzi, M.N. Lokman, A. Mutalib, A. Hamid.  
(Abstract Book 4th National Conference on Medical Sciences 8-9th June 1998 pg. 9. Presented orally at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
16. Spectrum of brain tumours presenting to the Neurosurgical Unit, Hospital Universiti Sains Malaysia from January 1990 to December 1996. The incidence and outcome.  
M.Y. Ridzuan, J. Abdullah.  
(Abstract Book 4th National Conference on Medical Sciences 8-9th June 1998 pg 62. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kelantan, Malaysia).
17. Use of osmotic treated bovine pericardium used for dural grafts in Malaysian patients.  
J. Abdullah, A.B. Afifi, A. Rani, B.T. Goh  
(Abstract Book 4th National Conference on Medical Sciences 8-9th June 1998 pg. 63. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia).
18. Cerebral meliodosis with good outcome: A report a rare case.  
A. Muiz, J. Abdullah, M. Radzi, A. Kilat, A. Farouk, A. Rahim.  
(Abstract Book 4th National Conference on Medical Sciences 8-9th June 1998 pg 64. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kelantan, Malaysia).
19. Use of bovine xenograft in reconstruction of the anterior cranial fossa.  
A. Farouk, J. Abdullah.  
(Abstract Book 4th National Conference on Medical Sciences 8-9th June 1998 pg 66. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kelantan, Malaysia).
20. A rare glioblastoma multiforme of the cerebellum in a child: A case report and review of literature.  
Nik Azim, Jafri Malin Abdullah, Hashimah Mohsin, Nor Hayati Othman.  
(Abstract Book 4th National Conference on Medical Sciences 8-9th June 1998 pg 68. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kelantan, Malaysia).

21. A 7 year study of brain abscess in the East Coast of West Malaysia in the pediatric population.  
J.M. Abdullah.  
Abstract Oct 1998 CNS Annual Meeting-Seattle Washington. pg. 311.
  
22. Incidence of Tumours Suitable for Radiosurgery in a Developing country like Malaysia: Retrospective Study Done Before Decision to start a Radiosurgery Program.  
J. Abdullah, M.R. Yusoff.  
Abstract XIIth Meeting World Society Stereotactic Functional Neurosurgery Lyon 1997 pg 49.
  
23. Extradural cranial empyema in two patients: rare case reports and literature review.  
A.S.M. Ridzuan, D.S. Sidek, M. Hamzah, N. Azam, J. Abdullah, Mohd Yusof ZA.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 84. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
  
24. Radiotherapy in the tumours of the central nervous system.  
B.M Biswal, Jafri M, Nik Min Ahmed, Nik Ruzman Idris, Ahmed Zakharia, Sahabuddin Abdullah.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 102. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
  
25. Von Hippel Lindau syndrome with multiple cerebral hemangioblastoma: A case report.  
A. Hamid, J. Abdullah, A.R. Ariff.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 104. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
  
26. Gamma Knife radiosurgery management of vascular malformations and acoustic neuromas: Postradio-surgery radiological review of cases and literature review.  
J. Abdullah, Ibrahim L, A.R. Ariff, IA. Marzuki.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 139. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).

**C.      *NEUROPAEDIATRIC***

1.      S. Hassan, J. Abdullah, Zubir Jaafar, S. Rani  
Usage of Amnion on large scalp and lumbosacral defects :  
a preliminary clinical report  
Second National Conference on Medical Sciences organised by  
the School of Medical Sciences, USM Kota Bharu, Kelantan, Malaysia  
9th - 10th June 1996
2.      K. Salleh, M. Sulaiman, S. Chandrasekharan, J. Abdullah,  
A retrospective study of hydrocephalus in HUSM  
Second National Conference on Medical Sciences,  
organised by the School of Medical Sciences, USM  
Kota Bharu, Kelantan, Malaysia  
9th - 10th June 1996
3.      Review of brain abscess in the pediatric age group over the last seven years:  
follow up and outcome.  
J. Abdullah, M. Sulaiman, A. Rahim.  
(Abstract Book 4th National Conference on Medical Sciences 8-9th June  
1998, pg 61. Presented as a poster at the School of Medical Sciences,  
Universiti Sains Malaysia, Kelantan, Malaysia).
4.      Difficulties in managing late presenting children and adolescent with  
craniomegaly and megahydrocephalus: Report of 2 case.  
(Abstract Book 4th National Conference on Medical Sciences 8-9th June 1998  
pg 68. Presented as a poster at the School of Medical Sciences, Universiti  
Sains Malaysia, Kelantan, Malaysia).
5.      Surgical Outcome of 285 Hydrocephalic children in North East Malaysia 1990-  
1998. J. Abdullah in Hellenic Paediatric Neurology Association “Mediterranean  
Child Neurology Meeting”, June 10-13, 1999, Crete, Greece.
6.      Surgical Outcome of 285 hydrocephalic children in North East Malaysia 1990-  
1998. J. Abdullah. in 11th European Congress of Neurosurgery European  
Association of Neurosurgical Societies. 19-24 September 1999. Copenhagen,  
Denmark.
7.      J. Abdullah. Retrospective Analysis of Non Traumatic Headaches of  
Paediatric Patients Presenting to the Neurosurgical Division 1990-1998 in 9th  
Congress of the International Headache Society Barcelona, Spain June  
22-26th 1999.

8. Pleomorphic xanthoastrocytoma in a young child: A rare case report.  
A.S.M. Ridzuan, N. Azam, J. Abdullah, A.R. Ariff, SS. Mutum.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999  
pg. 75. Presented as a poster at the School of Medical Sciences, Universiti  
Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).

***D. STEREOTACTIC, MINIMAL INVASIVE AND IMAGE GUIDE***

1. J.Caemaert, J.Abdullah, L.Calliau  
Video presentation: Suprasellar arachnoidal cyst. 9th European  
Congress on Neurosurgery, Moscow USSR. June 23-28 1991.
2. J. Caemaert, J. Abdullah, L. Calliau  
Video presentation 29 Feb. 1992  
EANS Winter Meeting Tessaloniki 1992  
Suprasellar arachnoid cyst.
3. J. Caemaert, J. Abdullah  
Video and presentation : Endoscopic Removal of Tumours.  
First International Meeting in Neurosurgery; Barcelona.  
Minimally invasive Neurosurgery; 25-26 March 1993.
4. J.Abdullah, J. Caemaert, L. Calliau  
Endoscopic Management of craniopharyngioma - Presentation Belgian  
Society for Neurosurgery (19.03.94). Catholique University of Leuven,  
Groot Begijnhof, video presentation.
5. J. Abdullah, J. Caemaert,  
Pitfalls in Endoscopic Neurosurgery  
9th Asean-Australian. Neurosurgical Meeting, Taipe, Taiwan. 9th Nov 1995.  
In Book Research Presentations USM 1995, pg 45, 1995.
6. Jafri Malin bin Abdullah  
Complications of Endoscopic Neurosurgery :  
Prevention is Better than cure is Frontiers in the clinical neurosciences  
Penang International Teaching course in Neurology/Malaysian Society  
of Neurosciences  
4th - 5th April 1996, Batu Ferrenghi, Pulau Pinang, Malaysia

7. A Farouk, J. Abdullah, S. Chandrasekharan  
Endoscopic Neurosurgery : Report of the first three cases done in Malaysia  
Second National Conference in Medical Sciences organised by the  
School of Medical Sciences, USM Kota Bharu, Kelantan, Malaysia  
9th - 10th June 1996
8. Jafri Malin bin Abdullah  
Inovasi Peralatan Neurosurgeri  
A one day seminar on innovations in Medical Technology organised  
by the Department of Surgery, School of Medical Sciences  
Universiti Sains Malaysia  
7th August 1996, Kota Bharu, Kelantan, Malaysia
9. Dr. Prem Pillay (Singapore), Prof. Jacques Caemaert (Belgium)  
Dr. J. Abdullah (Malaysia)  
Technicals, presentation of the Leksell Mikrostereotactic  
Systems and other systems Clinical indications for stereotactic surgery  
Brachytherapy and other functional possibilities using the Leksell  
Microstereotactic system Endoscopic principles and indications  
Asean Stereotactic and Endoscopic Handson workshop 7th Asean Congress of  
Neurological Surgery 2nd October 1996, Pan Pacific Hotel, Kuala Lumpur,  
Malaysia
10. A Farouk, J. Abdullah  
Report of the first 5 Endoscopic Neurosurgery done in HUSM,  
Malaysia. 7th Asean Congress of Neurological Surgery,  
3rd - 5th October 1996, Kuala Lumpur, Malaysia
11. J. Abdullah, A. Farouk, K. Salleh  
Minimal invasive neurosurgery in the Northern Eastern part of West  
Malaysia. Second Asian Society for Stereotactic Functional and  
Computer Assisted Neurosurgery  
5th November 1996 - 8th November 1996  
Kuruizawa Prince Hotel, Nagano, Japan
12. Minimal Invasive Neurosurgery, Plenary Lacture  
J. Abdullah (Abstract Book Third National Conference on Medical Sciences,  
25th -26th May 1997. Presented orally at the School of Medical Sciences,  
Universiti Sains Malaysia, 16150 Kubang Kerian, Kelantan, Malaysia).
13. J. Abdullah. Endoscopic Management of Late Presenting Juvernile Macrocephaly  
with unstable Hydrocephalus in Third ASSFCAN Congress June 13-16, 1999,  
Seoul, Korea.

14. Transphenoidal endoscopic pituitary hypophysectomy: Report of the 1st case done in the Universiti Sains Malaysia.  
S. Rushdan, J. Abdullah, M. Hamzah, D.S Sidek.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 105. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
15. The first translabrynthine approach for a acoustic neuroma in Hospital Universiti Sains Malaysia: A combined otolaryngological neurological management.  
S. Rushdan, D.S. Sidek, M. Hamzah J. Abdullah.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 106. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).

#### ***E . NEUROGENE THERAPY***

1. J. Abdullah, J. Caemaert, L. Calliauw
  - i) Transternal approach to spinal tumours
  - ii) Invasiveness versus infiltration of brain tumours
  - iii) Chronic neurostimulation for movement disorders
 29th September 1996 and 7th Octobers 1996  
Lecture Room, Department of Surgery,  
School of Medical Sciences, USM Kota Bharu  
Kelantan, Malaysia
2. The usage of Bovine bone graft and cadaveric graft in anterio cervical stabilization of cervical of disc hernias and fractures: Preliminary reports.  
(Abstract Book Third National Conference on Medical Sciences, 25th - 26th May 1997. Presented orally at the School of Medical Sciences, Universiti Sains Malaysia, Kelantan, Malaysia).
3. J. Abdullah  
Suitability of chemo and radiosurgery for tumours after genetic therapy in small brain lesions. Hypothetical situation in the north east coast of Malaysia.  
3rd Asia-Pacific Conference on Medical Genetics. 2nd - 4th December 1997, UKM, Cheras.
4. Molecular studies of genetic charges in the tumorigenesis of meningiomas and gliomas in the East Coast of West Malaysia, 11th December 1997.  
Malaysian Toray Scientific Foundation Science and Technology Research Grant Presentation, Hotel Nikko, Kuala Lumpur, Malaysia.

5. Detection of p53 gene mutations using non-radioactive PCR-SSCP in cases of meningiomas and gliomas in East Coast of West Malaysia.  
Isa Mohd Nizam, Abdullah Jafri, Sidek Mohammad Ros, Ramli Siti Fatimah, Adam Nor Atifah in proceeding of Human genome Meeting supported by nature genetics pg.61. poster 168.
6. Non-radioactive PCR-SSCP for detect on of p53 gene mutation in brain tumours: A preliminary results in Congress of neurological Surgeon 1999, Boston MA Oct 30-Nov 4 1999.
7. Analysis of brain tumours suitable for curability via gene therapy in the North East Malaysia in 1999 Quadrennial Meeting of the American Society for Stereotactic and Functional Neurosurgery July 7-10, Snowbird, Utah, 1999.
8. Paraplegia caused by an extradural spinal arteriovenous malformation during labour: A rare case report.  
K. Vasantha, J. Abdullah, A.R. Ariff, SS. Mutum, Mahayuddin.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg 50. Presented as a oral at the school of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
9. Use of a Z plate syntheses system in the anterior thoracic fixation spinal tuberculosis: report of the first case in Malaysia.  
J. Abdullah, K. Abang, A. Hamid.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg.74. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
10. Management of large occipital encephaloceles use of properative shunting followed by definitive removal.  
IA. Marzuki, J. Abdullah, A.R. Ariff, M. Ghazaimie.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 77. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
11. Use of Codman T-Frame system for posterior cervical stabilization followed by transoral dens removal in a complicated C2 fracture.  
J. Abdullah, M. Aidura, A. Rani.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 78. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia. Kubang Kerian, Kelantan, Malaysia).

12. Non-Radioactive PCR-SSCP for detection of p53 gene mutation in brain tumour: A preliminary result.  
M.Ros. Sidek, S.F. Ramli, N. Adam, J. Abdullah, M.N. Isa.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 140. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).

Colardyn, Depts of Intensive Care + Neurosurgery, University Hospital Ghent, Belgium. Jugular Bulb Oximetry and Jugular Lactate Determinations in severe Head Injury. 2nd International Neurotrauma Symposium, 4-9 July 1993, Glasgow, Scotland.
2. Jafri Malin bin Abdullah  
Neurosurgical principles in Intensive course for Master Surgery candidates, organised by the British Council and the Department of Surgery, School of Medical Sciences, Universiti Sains Malaysia  
3rd - 14th March 1996, Nuclear Auditorium  
Universiti Sains Malaysia, Kelantan, Malaysia
3. Jafri Malin bin Abdullah  
Neurologic Emergencies I and II  
Intensive Course in Emergency and Critical Care Medicine  
Theme "Optimizing Patients Care"  
organised by Department of Anaesthesiology  
and Critical Care, School of Medical Sciences USM, Kubang Kerian, Malaysia. 19th - 24th October 1996
4. Jafri Malin bin Abdullah  
Neurologic Emergencies I and II  
Intensive Course in Emergency and Critical Care Medicine  
Theme "Optimizing Patients Care"  
organised by Department of Anaesthesiology and Critical Care, School of Medical Sciences USM, Kubang Kerian, Malaysia. 19th - 24th October 1996
5. J. Abdullah, N. Azim, M. Amnah, N. Abdullah  
Aggressive Neurosurgical Management of severe head injury arriving after 8 hours post trauma from June 1995 - June 1997: Followup and outcome.  
Euroneuro, 5 - 7 Feb 98, Gent Belgium.

6. J. Abdullah  
Neurointensive course : Lecture on raised Intracranial Pressure  
9th Oktober 1997, Lecture Hall 4, School of Medical Sciences, USM  
Kelantan, Malaysia.
7. The incidence and prevalence of motorcycle associated head injuries in the  
state of Kelantan 1995.  
J. Abdullah, A. Farouk, S. Jettanajaroenchia  
(Abstract Book 4th National Conference on Medical Sciences, 8-9th June  
1998 pg. 27. Presented orally at the School of Medical Sciences, Universiti  
Sains Malaysia, Kelantan, Malaysia).
8. Neurosurgical and Neurointensive management of late arrival severe head  
injuries: analysis of outcome in phase II aggressive management study.  
J. Abdullah, Nik Azim N.A., Amnah M.Z, Nik Abdullah N.M.  
(Abstract Book 4th National Conference on Medical Sciences 8-9th June 1998  
pg 27. Presented orally at the School of Medical Sciences, Universiti Sains  
Malaysia).
9. Psychomotor assessment of head injury children at HUSM: Outcome and  
follow up.  
N.Kumaraswamy, J. Abdullah.  
(Abstract Book 4th National Conference on Medical Sciences 8-9th June  
1998, pg 24. Presented orally at the School of Medical Sciences, Universiti  
Sains Malaysia, Kelantan, Malaysia).
10. Neurosurgical and Neurointensive management of late arrival severe head  
injuries: Analysis of outcome.  
J. Abdullah, Nik Azim, N.A, Amnah M.Z., Nik Abdullah N.M.  
(Abstract Book 4th National Conference on Medical Sciences 8-9th June 1998  
pg 70. Presented as a poster at the School of Medical Sciences, Universiti  
Sains Malaysia, Kelantan, Malaysia).
11. Retrospective Analysis of the use of Amniotic Membranes and Xenografts in  
Spinal Surgery and Anterior Cranial Fossa Operations- Jafri Malin Abdullah  
proceeding 7th International Conference on Tissue Banking APASTB, 24-26th  
Nov. 98, Kuala Lumpur, Malaysia, pg. 78.
12. The use of lyolamb versus lyoplant for dural closure in Neurosurgical  
patients: a retrospective study Jafri Malin Abdullah proceeding 7th  
International Conference on Tissue Banking APASTB 24-26th Nov 98, Kuala  
Lumpur, Malaysia, pg. 80.
13. Outcome of Aggressive Decompressive Craniotomy and Intensive ICU  
Management on Intracranial Hemorrhage (003) in International Stroke Society  
Regional Meeting at Yokohama April 22-24 1999.

14. Removal of complicated recurrent meningioma of the sphenoorbital bone and intraorbital meningioma: A case report.  
A.S.M Ridzuan, M.Y. Zainal Abidin, J. Abdullah, Ibrahim M, A.R. Ariff.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 76. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
15. Use of jugular oximeter catheter in severe head injuries.  
K. Vasantha, J. Abdullah, M. Maharowi, W.A. Wan Adnan, Nik Abdullah N.M, S. Sharma, M. Ghazaimie, K. Jaalam.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 83. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).
16. Use of prophylactic thiopentone coma and jugular oximeter monitor prior to clipping a giant basilar artery aneurysm via the transbasal approaches: a technical report.  
J. Abdullah, W.A Wan Adnan, S. Sharma, A.J. Nizar, A, Saedah, M. Maharowi.  
(Abstract Book 5th National Conference on Medical Sciences 4-5th May 1999 pg. 87. Presented as a poster at the School of Medical Sciences, Universiti Sains Malaysia, Kubang Kerian, Kelantan, Malaysia).

## **19. PUBLIC SERVICE RECORD**

1. Organized and conducted blood donation campaign's in Kelantan under the aegis of the Universiti Sains Malaysia Hospital Blood Banking Services.
2. Participated in conducting certificate courses in cardiopulmonary resuscitation for:
  - Malaysian Dental Association
  - Red Crescent Society of Malaysia
  - Fireman's Association
  - Medical Staff
3. Member of the Hospital Universiti Sains Malaysia Resuscitation and Teaching Committee

4. President of the Universiti Sains Malaysia Medical Graduate Alumni Society, 1986 - 1987, 1987 - 1988, 1988 - 1989, 1995 - 1996, 1996 - 1997.
5. President of the Malaysian Society of Ghent 1990 - 1991.
6. Yang DiPertua PIBG Sekolah Kebangsaan Kubang Kerian III (1996-2000)
7. Member of National Parkinson Foundation Association 1997-1998.

20. **ONGOING RESEARCH**

1. Brain tumours and genetics.  
Conducted with Associate Professor DR Mohd Nizam Isa, of the Genetic Unit, School of Medical Sciences, USM Kubang Kerian, Kelantan, Malaysia and Professor Luc Calliauw of Belgium. Ongoing research.
2. Use of amnion and chorion in large skull and spinal defects and use of Bovine grafts and allografts in Neurosurgery conducted with cooperation of the National Tissue Bank Malaysia. Completed 31.12.1998
3. Psychomotor evaluation of severe head injuries in children.  
USM grant study number 391/9616/1016. End 28/2/1998.
4. Brain tumour and genetics (Malaysian Toray Scientific and Technology Research Grant) 1998. Dr. Jafri Abdullah and Associate Prof. Nizam Isa.  
31.12.1999
5. Use of bovine pericardium in dura replacement after neurosurgical procedures. Completed 31.12.1999
6. Gene Therapy of Brain Tumour. Fase 1 study with Prof. Madya Dr. Nizam Isa, Head Genetics Unit, University Science Malaysia, Kelantan, Malaysia.
7. Viral Therapy of brain tumours with the Newcastle Virus Vaccine, Apovax With Professor Aini Ideris, Vice Dean, Faculty Veterinary Medicine University Putra Malaysia and MAKNA (Malaysian Cancer Institute).
